the Hospital is opened to the public and not before. The Board now learn that the Hospital will not be ready for another month or two to receive patients. However, having regard to the fact that a large expenditure has to be incurred by the Catholic Mission to furnish the new Hospital, the Commissioners resolve to sanction the payment of a sum of Rs. 1,200 from the Municipal Funds, subject to the approval of Government, as a furniture grant. They further resolve that it may be intimated to the Lady Superior that regular monthly payment of Rs. 200 will be commenced only after the Hospital is open to the public.

IV. Docket No. R 981, dated 31st August 1885, from the Deputy Commissioner, Bangalore District, enclosing copy of docket No. 3071—174 of 27th idem, from the Secretary to the Government of Mysore, sanctioning the transfer to the City Municipality of the management of the Bangalore Government Chuttrum from 1st September 1885.

Resolution.—The Board willingly accept to undertake the management of the chuttrum in question.

V. Proceedings of the Dewan of Mysore, Camp No. 881, dated Mysore, 11th September 1885, regarding the management of the cattle-pound in the Bangalore City Municipality.

Resolution.—To be recorded.

VI. Proceedings of the Dewan of Mysore, Camp No. 906—8, dated Mysore, 14th September 1885, sanctioning allowance to Honorary Assistant Surgeon S. Arokeum Pille, and directing the charges to be met from Municipal Funds of this City.

Resolution.—The Board observe that the original allotment sanctioned by Government payable from Municipal Funds in their Proceedings No. 919-22—67, dated 26th May 1883, on account of the maintenance of the Maternity has been far exceeded as will be seen from letter No. 221, dated 18th July last, from the Vice-President to the address of Government, and that the funds of this Municipality will necessarily be crippled, should any further charges be directed to be met from the above funds. The Board therefore resolve that Government be respectfully requested to reconsider the matter and order the salary of the Honorary Assistant Surgeon Mr. Arokeum Pille to be disbursed from Provincial Funds. In the meantime the Board sanctions the disbursement of Rs. 793—8—9 being the arrears of Mr. Arokeum Pille's allowance from the Municipal Funds as directed by the Government.

VII. Deferred proposition of the last meeting as regards the proposals by Dr. McGann, Senior Surgeon to the Mysore Government, of alloting the strip of land running from London Mission Institution to the Cenotaph for building purposes.

Resolution.—The majority of the Commissioners consider it undesirable to allow the site to be built upon. They at the same time desire that as resolved in a previous meeting, new road ways be made on the site connecting the several cross roads in Cubbon Pettah with the District office road. The Vice-President in consultation with Mr. Cameron, the Municipal Commissioner of No. VI Division, is to decide the number of such roads and to effect such other improvements as will give Cubbon Pettah a decent appearance.

A. SRINIVASACHARLU,
Vice-President.
